Welcome to the Kintera Connect Partner Program

**As a new Kintera Connect partner, you'll be equipped
with the tools and support needed to successfully develop and
distribute applications to any nonprofit organization. Getting started is easy!**

To begin, please complete the following steps in the order listed. For additional help, e-mail your Kintera Connect Partner Support contact: **Nick Rongione (nrongione@kintera.com).**

▶ **Sign the LOI**
This signals your intent to integrate and lets both parties describe one another as partners publicly.

▶ **Describe Integration Value**
Describe the function and value of your application's integration with Kintera Sphere® for the shared client, your organization and Kintera.

▶ **Define Integration Points, Provisioning Plan & Pricing**
List every event in your application that will trigger a call to Kintera Connect Web Services. Consult Kintera Connect API documentation to identify which web service endpoint will be employed for each call. Describe how your integration will be provisioned & priced.

▶ **Create Co-Marketing Materials**
To being promoting your application, please submit the following materials to Nick Roggione (nrongione@kintera.com):
- 270x180 pixel integration screenshot and a 120x60 pixel company logo
- Product brochure, client testimonals for your product, company description and "contact us" link
- Statement of integration value for NPO clients (max 400 chars.)
- Three core functional values of your application (max 100 chars. each)
- Pricing statements (up to 3 max 100 chars. each)

▶ **Complete Kintera Sphere Training**
Please review a recorded 30-minute overview of Kintera Sphere.

▶ **Implement**
Implement your integration using the developed plan.

▶ **Get Certified**
Submit the materials mentioned above to the Kintera Connect Partner Program and demo your working integration.

▶ **Get Promoted on the Kintera Web Site**
At this point you are a certified Kintera Connect partner. You will be promoted on the Kintera Web site.

▶ **Deploy**
Turn on the integration for shared clients.

Thank you for choosing to partner with Kintera. We look forward to working with you!
